

# CHATTANOOGA CHAMBER DAY ON THE HILL

Each year while the Tennessee General Assembly is in session, the Public Policy team hosts Chattanooga Chamber Day on the Hill. In Nashville, where state officials make decisions impacting our businesses and everyday lives, we will hear from state leaders – such as the Speaker of the House and the Lt. Governor – and visit with Hamilton County’s state delegation. Planned for January 2021, we expect approximately 50 participants.
