

SPONSORSHIP

COLLEGE & CAREER FAIR

in partnership with

Chattanooga State Community College

The College & Career Fair gives 11th & 12th graders in the Chattanooga area the opportunity to explore four-year, two-year and technical postsecondary opportunities while networking with members of the business community and making plans for their future careers. Vendors participate by setting up booths and sharing information about higher education and career opportunities. All Hamilton County juniors and seniors will attend this year's event (around 4,000 students) and we will also reach out to surrounding counties in Tennessee and North Georgia. *Sponsorships will help cover the costs of transporting Hamilton County students to the event.*

Presenting sponsorships are available for \$1,000, and include:

- Publicity noting that event is sponsored by your company
- Complimentary booth for your company at event
- Sponsor recognition in advertising for event
- Advertising information for your company given to school counselors (and students and parents if you provide)
- Printed recognition at event

Corporate sponsorships are available for \$500 and include:

- Corporate logo on invitation
- Table display at event
- Printed recognition at event
