NETWORKING EVENT SPONSORSHIPS

Chamber networking events, like Business After Hours, regularly bring together around 200 business professionals from across the region. Held in a relaxed, social setting, these events offer attendees the opportunity to build meaningful connections. Sponsoring a networking event provides exceptional visibility and direct access to a highly engaged audience of decision-makers, entrepreneurs, and community leaders. Sponsors are positioned as champions of Chattanooga's business ecosystem while showcasing their brand in a welcoming, high-energy environment.
