## **HHM CPAs Announces Launch of HHM Talent as a Standalone Talent Services Firm**

*Firm Expands Family of Companies*

**Chattanooga, Tenn. (January 2026)** — HHM CPAs, a full-service accounting and advisory firm, is proud to announce that HHM Talent, originally launched as a service offering in February 2024, is now rolling out as its own standalone talent services entity. HHM Talent joins the firm's growing family of companies, including HHM Bookkeeping Solutions and HHM Wealth Advisors.

Working alongside HHM CPAs and leveraging its infrastructure and extensive professional network, HHM Talent delivers a modern, value-driven approach to recruiting. The firm specializes in efficiently connecting organizations with high-quality talent across a wide range of industries and roles.

Led by Joe Arrigo, HHM Talent distinguishes itself by billing for recruiting services on an hourly basis rather than the traditional percentage of a hire's first-year salary.

“HHM Talent was built to offer an innovative alternative to traditional recruiting,” said Joe Arrigo, Director of Talent at HHM CPAs and head of HHM Talent. “Our model gives clients the gold standard delivery they expect, without sacrificing efficiency, resources, or transparency.”
