**Sherman+Reilly® announces the appointment of
David Ring as its new CEO and President**

CHATTANOOGA, TN – Effective Immediately, Mr. David Ring will assume the roles of CEO and President for Sherman+Reilly, previously held by Michael H. Dunn, who will continue as the company's Chairman and to whom Mr. Ring will report.

Following the re-acquisition of Sherman+Reilly in 2019 by Mr. Dunn and his business partner Douglas Diamond, the company has gone through a period of accelerated revenue and profit growth, operational refinement, and product line expansion. “We have an outstanding management team” stated Dunn. “The addition of Dave Ring as the new CEO of Sherman & Reilly will ensure that the Company continues to be a leader in the electric utility industry in the years ahead.”

Mr. Ring joins Sherman+Reilly from Ligchine International Corporation where he served as CEO for the past 5 years. Prior assignments included leadership and board roles for a number of industrial enterprises.

Mr. Ring earned his MBA in International Business from Lehigh University.

With decades of experience building the safest and most reliable utility equipment on the market, Sherman+Reilly continues to steer the future of the market with innovative products. For more information on Sherman+Reilly, visit [Sherman-Reilly.com](https://www.sherman-reilly.com).
